

**Mom's really enjoying herself.
It's a relief to know she's well cared for.**

"I love decorating the parlor and halls with flowers. There are so many in the garden to pick."

—Gerda, Holton Home resident

"Mom's staying active, has new friends and gets all the help she needs."

—Cynthia, Gerda's daughter

"Everyone here is so nice. I have a lovely room and do as I please but I never have to worry about cooking or forgetting my pills. I always say, if you can't live at home, Holton Home is the best place to be."

—Gerda, Holton Home resident

Gerda came to the Holton Home a few years ago. Life's details were taking so much energy that she had little left to just enjoy herself. Cynthia wanted her mother close by. Now, even when Gerda needs a little more help, it's right here.

Holton Home has a tradition of more than 100 years of service to the community. We provide a residence for elders who need help with daily tasks, allowing the freedom to maintain personal independence and enjoy life.
